Introduction

Brand designer focused on brand identities, visual systems and campaigns. Strategic thinking comes before any design. Currently at LOOP, previously two years at Studio Herrström. Contributed to identities and campaigns for Porsche, Spotify, Meta, Sony Music and Red Bull Music, and to award-winning campaigns for Alto New York, including Cannes Lions. Experience with global corporations as well as smaller companies.

Experience

LOOP | Digital Brand Designer | 2026–present:

Brand design and visual systems; concepts and visual direction for pitches. Clients include Porsche, Amazon Prime and PrimaLoft.

Studio Herrström | Junior Designer | 2024–2026:

Concepting and design execution for clients including Spotify, Meta, Sony Music and Red Bull Music. Organized workflows for delivery of brand identities, presented creative work to stakeholders and contributed to a high-performing team.

Freelance Designer | Self-employed | 2022–present:

A few projects a year for selected companies and individuals. Visual systems, and the client relationships that keep those systems working after handover.

Lebenshilfe | Civil Service (Zivildienst) | 2021–2022:

Provided daily support and care for people with disabilities, assisting with activities and mobility.

Internships | Various companies | 2016–2021:

Gained early professional experience across diverse industries, including accounting at OVB, procurement at Palfinger, marketing activities at Biogena and administrative assistance at the European Heat Pump Association in Brussels.

Education

New Design University, St. Pölten | Graphic & Information Design | 2021–2024:

Specializations in Integrated Campaigns and Brand Design, with a consistent focus on branding and cross-media communication. Graduated with excellence.

Erasmus Exchange at ESADA | Graphic & Information Design | 2022–2023:

Studied Graphic & Information Design, adapted to the Spanish academic environment and worked on cross-cultural projects.

Handelsakademie (HAK) | Matura | 2015–2020:

Five-year Handelsakademie program with an emphasis on Accounting & Business Administration, including coursework in Law, Mathematics, English and German. Completed with Reife- und Diplomprüfung (Matura).
